§ 682.215 Teacher loan forgiveness program.

(a) *General.* The teacher loan forgiveness program is intended to encourage individuals to enter and continue in the teaching profession. For new borrowers, the Secretary repays the amount specified in this paragraph on the borrower's subsidized and unsubsidized Federal Stafford Loans, Direct Subsidized Loans, Direct Unsubsidized Loans, and in certain cases, Federal Consolidation Loans or Direct Consolidation Loans. The forgiveness program is only available to a borrower who has no outstanding loan balance under the FFEL Program or the Direct Loan Program on October 1, 1998 or who has no outstanding loan balance on the date he or she obtains a loan after October 1, 1998. The borrower must have been employed as a full-time teacher for five consecutive complete academic years, at least one of which was after the 1997-1998 academic year, in certain eligible elementary or secondary schools that serve low-income families. All borrowers eligible for teacher loan forgiveness may receive loan forgiveness of up to a combined total of \$5,000 on the borrower's eligible FFEL and Direct Loan Program loans. If the borrower taught for five consecutive years as a highly qualified mathematics or science teacher in an eligible secondary school or as a special education teacher in an eligible elementary or secondary school, the borrower may receive loan forgiveness of up to a combined total of \$17,500 on the borrower's eligible FFEL and Direct Loan Program loans. The loan for which the borrower is seeking forgiveness must have been made prior to the end of the borrower's fifth year of qualifying teaching service.
